One sole layer

EC-44 and EC-55 share the same construction, with a choice of closed or open toe.

Standard EVA outsole: 4 mm. Thickness options: 3, 5 or 6 mm.
See page 4 for shared specifications and ordering details.

TWO-STAGE STITCHED

Separate insole + outsole

The upper is first stitched to a separate insole. An outsole is then added and secured with a second stitching stage.

Separate insole: cardboard or 3 mm EVA

EC-11 and EC-12 share this layered construction, with a choice of closed or open toe.

Standard EVA outsole: 4 mm. Thickness options: 3, 5 or 6 mm.
See page 4 for shared specifications and ordering details.

Specifications & ordering

Choose your model and requirements. We will prepare an individual quotation.

Fabric options	Knitted cotton terry, velour, wellsoft fleece and waffle piqué. Availability is confirmed for the selected model.
EVA outsole	4 mm as standard. Options: 3 mm, 5 mm or 6 mm.
Separate insole	EC-11 / EC-12 only: cardboard or 3 mm EVA.
Slipper lengths	28 cm and 31 cm. Other sizes available on request.
Packaging	Each pair in a self-adhesive PP bag as standard. Paper bands are also available.
Minimum order	1,000 pairs per model: 500 men's and 500 women's pairs.
Production lead time	Typically 2-3 weeks. Final timing is agreed according to order quantity and the production schedule.
Logo customisation	Embroidery and printing. The method and additional cost are confirmed in your quotation.

Photos show sample configurations. Final materials, sizes, packaging and delivery terms are confirmed in your quotation.
